**Table 2. Selecting a child randomly to administer the questions of this module**

- If there is more than one child in the household aged 2-14 years, use Table 2 to select one child.
- Check the last digit of the household number (HH2) from the household information panel and find the row with that digit in CD7 and circle that number in the first column of Table 2 by looking vertically down.
- Check the total number of children in the household aged 2-14 years (CD6) from Table 1 and find the column with that number and circle that number in the top row of Table 2.
- Find the cell where the row and column meet and circle the number that appears in the cell. Record the number you have found in CD8. This is the rank number of the child selected for the child discipline questions.
